As a sports fanatic, I've always been fascinated by the way that sports can bring people together. It doesn't matter if you're a fan of the home team or the visiting team, when the game starts, everyone is united in their love of the sport. And that's what I love about it.

But sports are about more than just winning and losing. They're about building character, learning teamwork, and setting goals. And they can be a great way to teach our kids about the importance of hard work, dedication, and perseverance.

In my book, *Bigger Than the Game*, I explore the intersection of sports, faith, and family life. I draw on my own experiences as a sports fan and

father of two to provide readers with a unique perspective on the role of sports in our lives.

I believe that sports can be a powerful force for good in our world. They can help us to connect with others, build community, and learn important life lessons. And when we approach sports with a spirit of faith, they can be even more meaningful.

In *Bigger Than the Game*, I share stories of athletes who have used their platform to make a difference in the world. I also provide practical advice on how to incorporate sports into your family life in a way that is positive and fulfilling.

Whether you're a lifelong sports fan or just a casual observer, I believe that you'll find something to enjoy in *Bigger Than the Game*. So sit back, relax, and let me take you on a journey that will explore the intersection of sports, faith, and family life.
