Dr. Bettina Love, an award-winning scholar and activist, draws on her own experiences as a Black woman in education to provide a powerful and personal account of the challenges that Black students face in schools. She also offers a clear and concise analysis of the systemic racism that plagues our educational system, from the achievement gap to the school-to-prison pipeline.

But *Black Lives Matter at School* is not just a book about problems. It is also a book of solutions. Dr. Love provides a wealth of practical strategies that educators can use to create more equitable and just schools. These strategies range from simple changes, such as using culturally responsive teaching materials, to more complex changes, such as transforming school discipline policies.

Black Lives Matter at School is an essential read for anyone who is committed to creating a more just and equitable world for Black students. It is a book that will challenge your thinking, inspire your action, and empower you to make a difference in the lives of Black students.

Reviews

"Black Lives Matter at School is a must-read for anyone who cares about the future of education. Dr. Love offers a powerful and personal account of the challenges that Black students face in schools, and she provides a clear and concise analysis of the systemic racism that plagues our educational system. More importantly, she offers a wealth of practical strategies that educators can use to create more equitable and just schools. This book is a call to action, and it is a resource that will help us to create a better future for all students."—Ibram X. Kendi, author of *How to Be an Antiracist*

"Black Lives Matter at School is a groundbreaking book that offers a roadmap for creating schools that are truly inclusive, equitable, and just for Black students.
