Calling Off Christmas is a witty and heartwarming holiday read that follows the story of a woman named Lucy who decides to cancel Christmas. Lucy is a single mother who is struggling to make ends meet. She's also dealing with a lot of personal drama, including a recent breakup and a strained relationship with her parents.

When Lucy decides to cancel Christmas, her friends and family are shocked. But Lucy is determined to make this Christmas different. She's going to focus on spending time with her loved ones and doing things that make her happy.

Of course, things don't always go according to plan. Lucy's ex-boyfriend shows up unexpectedly, her parents start fighting, and her friends all seem to have their own Christmas dramas. But through it all, Lucy learns to embrace the true meaning of Christmas.

Calling Off Christmas is a funny, heartwarming, and ultimately uplifting story about the importance of family, friends, and finding joy in the simple things in life.
