In *Hockey Morning, Noon, and Night*, author John Davidson takes readers on a comprehensive journey through the history, culture, and passion of hockey. Davidson, a former NHL player and coach, provides a unique insider's perspective on the sport, sharing his insights and experiences with readers.

The book is divided into three parts. The first part, "Morning," explores the early days of hockey, from its origins on frozen ponds to its development into an organized sport. Davidson traces the growth of hockey in Canada, the United States, and Europe, and he provides a detailed account of the game's greatest players and teams.

The second part of the book, "Noon," focuses on the present state of hockey. Davidson examines the NHL, the world's premier hockey league, and he discusses the challenges and opportunities facing the sport. He also takes a look at the international game, and he explores the growing popularity of hockey in countries such as Russia, Sweden, and Finland.

The third part of the book, "Night," looks to the future of hockey. Davidson discusses the potential for growth in the sport, and he identifies the key trends that are shaping the future of hockey. He also offers his thoughts on the future of the NHL, and he provides his vision for the future of hockey in North America and around the world.

Hockey Morning, Noon, and Night is a must-read for any hockey fan. Davidson's passion for the sport is evident on every page, and his insights and experiences provide a unique perspective on the history, culture, and passion of hockey.

About the Author

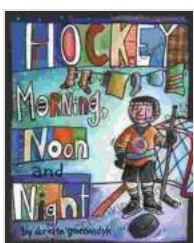

John Davidson is a former NHL player and coach. He played for the St. Louis Blues, New York Rangers, Atlanta Flames, and Edmonton Oilers. He was also the head coach of the Oilers from 1993 to 1995. Davidson is currently a hockey analyst for TSN.
