When Mike and his wife adopted their son, they knew he had some developmental delays. But they never imagined that he would be diagnosed with autism. As they navigated the challenges of raising a child with special needs, Mike learned that autism is not a deficit, but a different way of being in the world.

In this book, Mike shares his story with candor and compassion. He writes about the struggles and joys of raising a child with autism, the importance of early intervention, and the power of love and acceptance. He also offers

practical advice for parents and professionals on how to support children with autism and their families.

One Father's Story of Autism, Adoption, and Acceptance is an inspiring and essential read for anyone who wants to understand autism and its impact on families.

What People Are Saying About One Father's Story

"Mike's story is a powerful reminder that autism is not a tragedy. It is a different way of being in the world, and it can be a beautiful thing." -

Temple Grandin, author of Thinking in Pictures

"This book is a must-read for parents and professionals who want to understand autism. Mike's insights and wisdom are invaluable." - **Dr. Tony Attwood, author of The Complete Guide to Asperger's Syndrome**

"One Father's Story is a moving and inspiring memoir that offers hope and guidance to parents and professionals alike." - **The National Autistic Society**

About the Author

Mike is a father, writer, and speaker. He has written extensively about autism and adoption. He is the founder of the Autism Acceptance Project, a non-profit organization that provides support and resources to families affected by autism.

Mike's writing has been featured in The Washington Post, The New York Times, and The Huffington Post. He has also appeared on The Today Show, Good Morning America, and NPR.
