This comprehensive book covers everything you need to know about preparing your child for school, from the first days of infancy to the transition to kindergarten and beyond. With a focus on evidence-based practices and practical strategies, Ready or Not, Here Comes School will help you:

- Create a nurturing and stimulating environment for your child's early learning

- Support your child's cognitive, social, and emotional development
- Identify and address developmental delays or challenges
- Make informed decisions about childcare and preschool programs
- Ensure a smooth and successful transition to kindergarten

Written by a team of experts in child development and education, *Ready or Not, Here Comes School* is packed with practical tips, advice, and resources. This book will help you give your child the best possible start in life and set them on the path to success in school and beyond.
