VOLUME 20

Talking Disney with the Artists Who Knew Him

Edited by Didier Ghez

Foreword by Alan Coats

A Journey into the Heart of Disney's Legacy

In the realm of animation and storytelling, there is no name more synonymous with magic than Walt Disney. His creations have touched the lives of generations, leaving an indelible mark on our collective imagination. But what truly lay behind the scenes of this Disney empire? How did he conceive his iconic characters and bring his whimsical worlds to life?

Talking Disney with the Artists Who Knew Him provides an unparalleled glimpse into the creative process of Walt Disney through the eyes of the legendary artists who collaborated with him. This captivating book offers a treasure trove of personal anecdotes, candid insights, and behind-the-scenes secrets that shed light on the man and his artistic genius.

A Tapestry of Artistic Perspectives

Talking Disney with the Artists Who Knew Him features an extraordinary ensemble of Disney artists, each with a unique story to tell. From the legendary "Nine Old Men" who shaped the golden age of Disney animation to contemporary visionaries who continue to carry Disney's legacy forward, these artists share their memories, inspirations, and the lessons they learned from working alongside the master.

Meet Marc Davis, the artist behind some of Disney's most beloved characters, such as Cruella de Vil and Maleficent. Discover the secrets behind the creation of iconic scenes from *Cinderella* and *Fantasia* through the eyes of Eyvind Earle. Gain insights into the development of beloved animated films like *The Little Mermaid* and *Beauty and the Beast* from Glen Keane and James Baxter.

The Creative Process Unraveled

In this book, the artists delve into the intricate process of bringing Disney's vision to life. They reveal the techniques, inspirations, and artistic principles that shaped their creations. Explore the development of characters, the evolution of storytelling, and the innovative use of animation to create worlds that transcend imagination.

From the early days of hand-drawn animation to the cutting-edge advancements of today, the artists share their perspectives on the ever-evolving landscape of animation. They discuss the challenges they faced, the breakthroughs they achieved, and the lessons they learned along the way.

A Legacy of Inspiration

Talking Disney with the Artists Who Knew Him is not merely a historical account; it is a testament to the enduring power of creativity. The artists' stories offer a wealth of inspiration for budding animators, artists, and anyone seeking to unlock their own creative potential.

Through the lens of these legendary artists, we gain a deeper appreciation for the artistry, passion, and innovation that have shaped the Disney legacy. Their insights provide a roadmap for aspiring creators, encouraging them to embrace their imaginations, push boundaries, and make their own mark on the world.

A Must-Read for Disney Enthusiasts

For true Disney enthusiasts, this book is a priceless treasure. It offers an intimate glimpse into the inner workings of the Disney empire, revealing the personalities, processes, and inspirations behind our beloved characters and stories. Whether you are a lifelong Disney fan or simply curious about the magic behind the scenes, *Talking Disney with the Artists Who Knew Him* is an essential read.
