Prepare to be captivated by *The Ice Limit*, Douglas Preston's gripping novel that takes you on an extraordinary expedition to the frozen expanse of the Arctic. Join a team of intrepid scientists and explorers as they venture into a world of ancient secrets, hidden dangers, and the unyielding power of nature.

With vivid prose that transports you to the icy depths, Preston paints a breathtaking canvas of the Arctic's pristine landscapes and unforgiving conditions. Through the eyes of his characters, you'll experience the thrill of discovery, the perils of icy wilderness, and the profound impact of climate change on this fragile ecosystem.

As the team explores the desolate reaches of the ice cap, they uncover fragments of a lost civilization and stumble upon a scientific mystery that threatens to unravel their very mission. With each step, they delve deeper into a web of intrigue and ancient knowledge, unlocking secrets that could forever alter their understanding of history.

The Ice Limit is not just an adventure story; it's a testament to the indomitable spirit of those who dare to push the boundaries of human knowledge. Preston deftly weaves together elements of science, history, and suspense, creating a gripping tale that will keep you on the edge of your seat from beginning to end.

About Douglas Preston

Douglas Preston is a renowned author, journalist, and explorer known for his thrilling novels and nonfiction works that explore the intersection of science and adventure. With his exceptional storytelling abilities and meticulous research, Preston has captivated readers worldwide.

Before embarking on his writing career, Preston worked as a research scientist at the American Museum of Natural History. His scientific background informs his writing, lending authenticity and depth to his exploration of the natural world and its mysteries.

Praise for The Ice Limit

"A thrilling Arctic adventure that seamlessly blends science, history, and suspense. Douglas Preston has crafted a masterpiece that will haunt you long after you finish the last page." — Clive Cussler

"A gripping and thought-provoking novel that transports you to the icy heart of the Arctic. Preston's vivid descriptions and well-developed characters create a truly immersive and unforgettable experience." — James Rollins

"A must-read for fans of adventure, mystery, and the wonders of the natural world. The Ice Limit is a literary expedition that will ignite your imagination and challenge your preconceptions." — Dan Brown
